Certificate Programme on “Advance Molecular Diagnostics & NABL Protocol for Good Laboratory Practices”

Affiliated to

Bharathiyar University

Microbiological Laboratory Research
and Services India Private Limited

Who should attend

01 Life sciences & Medical graduate
/ Post-graduate/ Medical laboratory
technicians/ Professionals involved in diagnostics

Prior Experience Optional - Build Job-Ready skills,
even if you're new to the field **02**

Skill development in Molecular Diagnostics
and testing strategies in a NABL accredited
Clinical laboratory

Earn Valuable Credential
from Bharathiyar University

Internship and Interview
Opportunities

Under the Patronage of

Dr K.N. Bramhadathan Ph.D.
Technical Director, MLRS

- Former Professor and Head Dept. of Microbiology,
Christian Medical College, Vellore
- More than 35 years of Teaching and Diagnostic experience
- Completed Several National and International Research
projects with over 80 research publications in high-impact
journals and filed several Patents

Course Duration : **6 months**
